

# Sparks

## Lyric Sheet

*[Verse]*

here sits a man  
who's lost his will

too sick to stand on his own  
slowly he will drown

I can see the taste of death  
shining bright in his eyes

oh free me from these bonds  
he pleads  
'fore this prison claims my mind

*[Pre-chorus]*

it's a short trip to Mexico  
oh please, will you help me?

*[Chorus]*

from the heavens we're made  
touched by the flames  
in the end  
we're all made of sparks

from the time we're born  
a brief flash and we're gone  
in the end  
we're made of sparks

*[Post-Chorus]*

ashes to ashes  
I scatter his dust in the rays  
and my fears wash away  
for we all return to where we came

*[Verse]*

oh father  
do we walk the same path

will this torch pass  
from one generation to the next?

*[Pre-chorus]*

it's a short trip to Mexico  
oh who will help me?

*[Chorus]*

...

*[Post-Chorus]*

ashes to ashes  
the dust scatters in the rays  
and my fears wash away  
for I will return to where I came

*[Bridge]*

the fire burns deep into the night  
cleansing my soul

the fire burns deep into the night  
taking him home

*[Chorus]*

...x2

*[Post-Chorus]*

ashes to ashes  
we scatter into the rays  
and our fears wash away  
mmmmmm...
